## LANSHAN LSRO-3013 (HOT-COLD-WARM) RO Water Purifier

**Price : 78000.00 / ~~80000.00~~**

3.2 G Warm, 5 Liters Hot & 3 Liters Cold Reservoir  
Ensures constant availability of purified water.

50/100 GPD Built-In RO USA Technology  
Hot water reaches 100°C instantly with re-boiling function.

Modern Design with Hot Water Temperature Display  
Crafted to meet expectations.

Highly Efficient, Noiseless, Low Power Consumption  
Advanced compression and heating technology with auto on-off system.

Automatic Shut-off  
Turns off water and electricity when the tank is full.

**Dimensions:** 126 x 43 x 43 cm

### Key Features of LANSHAN LSRO-3013 (HOT-COLD-WARM) RO Water Purifier:

- **5-Stage Filtration System:** Employs a comprehensive five-stage process to purify water:
  1. **Sediment Filter:** Removes large particles like dust, dirt, and rust.
  2. **Activated Carbon Filtration:** Absorbs chlorine, odors, and organic substances.
  3. **RO Membrane (likely USA-imported):** Effectively eliminates microscopic impurities, dissolved solids, heavy metals, bacteria, and viruses.
  4. **Post Carbon Filtration:** Enhances the taste and removes any remaining odors.

5. **Mineralization (in some models):** Adds essential minerals back into the purified water for improved taste and health benefits.
- **Hot, Cold, and Warm Water Dispensing:** Offers convenient access to three different temperature options to suit various needs.
  - **Reverse Osmosis (RO) Technology:** Utilizes a semi-permeable membrane for high-level purification.
  - **Standing Design:** A tall, space-efficient design that fits easily in homes or offices.
  - **High Capacity (50/100 GPD):** Capable of producing a significant amount of purified water daily, suitable for both residential and commercial use.
  - **Digital Control (in some models):** Provides a user-friendly interface for controlling temperature settings and other features.
  - **Re-boil Function (in some models):** Allows heating water to 100±C for specific needs.
  - **Multiple Reservoirs:** Separate tanks for hot, cold, and warm water storage.

### **Benefits of LANSHAN LSRO-3013 (HOT-COLD-WARM) RO Water Purifier:**

- **Pure and Safe Drinking Water:** The advanced 5-stage RO system ensures the removal of a wide range of contaminants, providing healthy and great-tasting water.
- **Versatile Hydration:** Instant access to hot water for beverages, cold water for refreshment, and warm water for general use.
- **Convenience and Time-Saving:** Eliminates the need for kettles, water coolers, and storing bottled water.
- **Improved Water Quality:** Removes chlorine, odors, and other impurities that affect the taste and smell of water.
- **Healthier Option:** Reduces the intake of harmful substances and potentially adds beneficial minerals (depending on the specific model's filtration stages).
- **Cost-Effective in the Long Run:** Reduces reliance on expensive bottled water.
- **Space-Saving:** The standing design optimizes floor space.
- **Peace of Mind:** Provides a reliable source of clean and safe drinking water for your family or colleagues.
- **Enhanced Taste:** The post-carbon filter ensures the water is fresh and pleasant to drink.

### **Why Choose Aquafit Technologies for Your Domestic Water Purifier Needs**

When it comes to selecting a domestic water purifier, Aquafit Technologies stands

out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality water purifiers at competitive prices, ensuring that you get the best value for your money without compromising on quality.
2. **Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
3. **Three Years of Free Servicing:** Enjoy peace of mind with our three-year free servicing offer, which covers regular maintenance and repairs, reducing long-term costs.
4. **EMI Opportunities:** To make our products more accessible, we offer EMI options, allowing you to spread the cost of your purchase over manageable monthly payments.
5. **Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
6. **Affordable Filter Parts:** We provide filter parts at the lowest prices, making it economical to maintain your purifier and keep it running efficiently.
7. **24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
8. **100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
9. **Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.
10. **Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated domestic water purifiers and join the many satisfied clients who trust us for their water purification needs.
