## G-ion Cation Resin

Call for price ( 01880955512 )

**Model:** G-ion Cation Resin

**Origin:** China

**Type:** Cation exchange resin

**Functional group:** Negatively charged ion (such as sulfonic acid)

**Matrix:** Plastic beads (such as styrene divinylbenzene)

**Particle size:** 0.315mm-1.250mm

**Exchange capacity:** 24.50 mmol/g

**Volume exchange capacity:** 21.80 mmol/ml

**Shipping weight:** 0.77-0.87 g/ml

### Key Features G-ion Cation Resin:

- **Superior Hardness Removal:** Effectively removes calcium and magnesium ions, preventing scale buildup and mineral stains.
- **Long-Lasting Performance:** Provides consistent water softening results over an extended lifespan.
- **High Exchange Capacity:** Ensures efficient ion exchange, even in challenging water conditions.
- **Easy Regeneration:** Can be easily regenerated with a salt brine solution.
- **Compatible with Various Systems:** Suitable for residential, commercial, and industrial water treatment systems.

## Applications of G-ion Cation Resin:

- Residential Water Softening: Improves water quality for household use, preventing scale buildup in appliances and fixtures.
- Commercial Water Softening: Ensures soft water for industrial processes, reducing maintenance costs and improving product quality.
- Industrial Water Treatment: Removes hardness minerals from process water, preventing scale formation and equipment damage.

## Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

- 1. Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
- 2. Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
- 4. Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
- 5. Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
- 7. 24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
- 8. 100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
- 9. Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

**10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.**

**Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.**
